

Hello!

We are excited that you are interested in becoming a Big Brother or Big Sister. Volunteer mentors can make a BIG difference in the lives of young people.

About Big Brothers Big Sisters

Big Brothers Big Sisters of the North Coast is a non-profit organization that provides mentoring programs for children and teens in Humboldt County. We believe that having a trusting relationship with an adult friend can make a powerful impact in a child's life and our vision is that all children achieve success in life. The Mission of Big Brothers Big Sisters is to provide children facing adversity with strong and enduring, professionally supported 1-to-1 relationships that change their lives for the better, forever. We are an affiliate of the national Big Brothers Big Sisters movement which began in New York in 1904 and today serves over 300,000 children and teens each year. A single new match costs the Agency approximately \$1,100 a year including enrollment & monthly case management. We are able to offer our program for free to the families we serve through the generous support of individuals, businesses, foundations, and annual fundraising activities in our local community.

Making a Difference

Research shows that building a trusting friendship with a child can make a powerful impact in his or her life. A "Big" can broaden a child's horizons, help a "Little" feel positive about themselves, inspire new interests, and introduce new skills. Big Brothers and Big Sisters demonstrate consistency and care to their Littles, but they also experience personal growth and have fun themselves!

Your Role as a "Big"

As a Big you are responsible for building a positive relationship with a child. A professional Match Support Specialist from BBBSNC checks in monthly with each match -- providing feedback, problem solving, and celebrating success.

What a "Big" Does

The formula for successful mentoring is pretty simple:

- Show you care
- Be available on a consistent basis
- Have fun doing activities and sharing skills and interests with your Little

Bigs in a **Site-Based** match make a commitment to meet with their Little Brother or Sister **once a week for 1 hour** on the school grounds during the child's after school program, for the duration of at least **one school year** (ideally two school years). Site-Based matches play on the playground, color, play Mad Libs, board or card games, or share other fun activities.

Bigs in a **Community-Based** match make a minimum **one-year commitment** to meet with their Little Brother or Little Sister approximately **8-12 hours per month**. Community-Based matches participate in whatever interests they have in common, from playing basketball to watching movies to making arts and crafts. Many of our community-based matches choose to continue as a match beyond the one year commitment.

How to Get Involved

BBBSNC is looking for Bigs who:

- Are mature, responsible, and caring
- Model safe and appropriate behavior
- Are able to relate positively and in a meaningful manner to a growing boy or girl

To start the process of becoming a Big, just fill out our application and return the completed form to our Agency in-person, by mail or email, or by fax. Let your references know we will be contacting them shortly. Upon receipt of your application a Match Support Specialist will call you to schedule an interview and orientation. At the interview, we will collect information about you that will help us to make a successful match, tell you more about Big Brothers Big Sisters, and answer any questions you may have. You should expect to spend 1½ - 2 hours to complete the interview and orientation.

Because of our concern for child safety and our desire to make a successful match, our application process is extensive and the process of being matched usually takes approximately 4-6 weeks. After the interview, we ask that you submit to a background check through Verified Volunteer and recommendations from your references. After we collect information about you, a screening committee will check your application for child safety clearance. Once approved by the screening committee, our Match Support Specialist will help create a good match based on hobbies, interests, experiences, and skills.

Thank you for your interest in Big Brothers Big Sisters! We hope you will decide to become a Big. You can make a difference in the life of a Little in your community, and you can learn a lot about yourself along the way.

If now isn't the right time in your life to become a Big, please consider supporting Big Brothers Big Sisters of the North Coast in other ways - encourage others to apply, help out with a fundraiser, or sign up to be an office volunteer.

We look forward to meeting you!

-BBBSNC Staff
